Experience

Design Lead

Google Developer Students Club-Dronacharya College of Engineering • Gurgaon, Haryana
07/2021 - 07/2022
Carefully prepared design layouts into files and web applications. Quickly learned new skills and applied them to daily tasks, improving efficiency and productivity. Demonstrated respect, friendliness and willingness to help wherever needed. Developed artistic visual, motion and interactive designs while working with the team.

Graphic Design Intern

Aashman Foundation
09/2021 - 11/2021
Worked with departments across the company, including marketing and project management, in developing new ideas, initiatives, products, and services. Learned several aspects of designing and brainstorming through group discussions. Designed posters, banners, flyers, and many other things during the internship period.

Campus Ambassador Lead

LetsGrowMore
05/2021 - 06/2021
Led a team of more than 30 people. Established a sustainable working environment for all individuals. Made everyone feel safe and confident as the pandemic was enough to make them worry and stressed.

Skills

Python, SQL, Excel, Graphic Design, Front-End Development, UI/UX

Awards

ICRSCT Logo Making Competition 2021-3 position, FAER Integra SCHOLAR Program 2022-23 Finalist

Projects

- **PARHIT(Web Development(Data Analysis, HTML, CSS, JavaScript, Python))-**

A website intended to connect NGOs and rehabilitation centers all over India with the underprivileged sections of our society. The website provides information about all the organizations working for the same cause as well as it provides location sharing and photo uploading features through which organizations can easily access the location of one in need.

Languages

English, Hindi, Maithili
